

AMANDA NALLY

Script Supervisor

Amanda has maintained an exemplary employment record since becoming a script supervisor in 2003. Straddling multi camera gallery, live television broadcast, TV drama and feature films, Amanda is continually called back by the BBC, Shed and Lime Pictures. Personable and calm on set, Amanda has a firm grasp of her duties on the floor and in the provision of accurate reporting to editorial. Based in Manchester, Amanda loves working from or close to home but she is also keen to work in London and abroad.
