# LEIGH NICOL

*Script Supervisor*

*With a long background in film and television production, Leigh originally joined the industry as a Costume and Wardrobe Supervisor and Wardrobe Assisant. She switched to Script Supervisor some six years ago now, and has since worked in everything from comedy to action to period in feature film, and in TV from one-off dramas to prime time and returning series. Calm and unflappable, she's not fazed by demanding schedules and is very much in demand.*
