# TOM BROWN

Production Designer

*With some 25 years' experience in the art department, gained from working on everything from James Bond to TV drama, Tom has a reputation as one of the most inspired, talented and reliable young designers working in the UK today. Having assisted some of the world's best UK-based designers he moved up through the ranks, from art department assistant to Production Designer and all stops in-between. Tom's passion for quality film and TV drama has led to him working all over the world from the UK and Europe, to Africa (North and South), the Far East, USA and Australia.*
